#4038 SAE 30
#4039 SAE 40
#4040 SAE 50
PREMIUM HEAVY DUTY

CHAMPION PREMIUM HEAVY DUTY MOTOR OILS are single grade high VI oils manufactured from the finest quality select paraffinic base lubricating oil stocks. These stocks are then blended with the latest "state of the art" additives to exacting specifications resulting in some of the finest lubricating oils available. These oils contain detergent dispersants and oxidation and rust inhibitors which results in an exceptionally clean engine virtually free from deposits and build-up.

CHAMPION PREMIUM HEAVY DUTY MOTOR OILS surpass the requirements for CATERPILLAR SERIES 3 and API service classifications SG, CF and CF-2. They exceed most automotive manufacturers' requirements when these specifications and grades are recommended.

TYPICAL SPECIFICATIONS

SAE	10W10	20W20	30	40	50
Product Code	4036	4037	4038	4039	4040
Gravity API @ 60° F	29.7	28.5	27.5	26.5	26
Viscosity:					
cSt @ 40° C	35.2	55.0	90.0	140	220
cSt @ 100° C	6.4	8.0	10.8	14.5	19.5
Low Temp CCS
