

CHAMPION HIGH MILEAGE 10W-40 MOTOR OIL

Champion Champion® High Mileage motor oil is formulated to protect your vehicle's engine by boosting seal conditioners, cleaning agents and friction modifiers while resisting thermal breakdown. Working together, these elements maximize life and sustain the performance of older engines. Use Champion® High Mileage motor oil to condition engine seals, prevent leaks, minimize oil consumption, provide easier cold starts and improve power output

- Helps stop oil leaks and condition engine seals
- Keeps your engine clean
- Promotes easier starting at low temperature
- Reduces engine part friction more than regular motor oil
- Halts, or significantly reduces oil consumption
