

Champion AIR LOK® TIRE SEALANT

CHAMPION AIR-LOK is formulated to quickly repair flat tires with little, or no, mess and/or prevent flat tires from rim and bead leaks, tube pinches, or other slow leaks and small punctures. It will not extend tire life. Nothing will, however it will dramatically improve driving safety by preventing tire blowout under normal driving conditions and tire wear.

ESTIMATED DOSAGES: On high-speed vehicles where balance may be a problem, decrease up to one fourth. Where heavy duty protection is desirable, increase by one fourth.

Go carts, lawn mowers & bicycles	8 oz.
Golf carts & motor cycles	12 oz.
Compact cars	14 oz.
Cars, Pick-Up Trucks & SUVs	16 oz.
