SUPER GRADE WAYLUBE

CHAMPION SUPER GRADE WAYLUBES are special products developed for the lubrication of machine tool ways and slides. The lubricants contain friction modifying additives that provide smooth movement and eliminate sticking, slipping or chattering, and possess the high film strength necessary to carry heavily loaded ways.

	TYPICAL SPECIFICATIONS	
Product Code	4239	4241
ISO	68	220
Gravity API @ 60° F	29.0	27.5
Viscosity:		
cSt @ 40° C	69.1	218.1
cSt @ 100° C	8.9	19.1
Viscosity Index	101	100
Pour Point ° F	-20	0
Flash Point ° F	400	468

Available in:

#4239A - 55 gallon

#4241A - 55 gallon

#4239D - 5 gallon
