

# CHAMPION HTS SYNTHETIC CD 50 TRANSMISSION FLUID

CHAMPION HTS MANUAL TRANSMISSION FLUID is a 100% synthetic fluid blended with the latest “state of the art” additives. This specially blended oil is recommended for use in Eaton, Rockwell, and Meritor transmissions and features a high viscosity index for use whenever a SAE 50, CD fluid is recommended for use in manual transmissions.

Champion Transmission Fluids...longer life, reduced downtime, and improved performance.

## TYPICAL PROPERTIES

	HTS CD Trans Fluid
SAE Grade	50
Product Code	4316
MSDS #	750
Gravity API @ 60°F	32.3
cSt @ 40°C	141.0
cSt @ 100°C	17.8
SUS @ 104°F	653
SUS @ 210°F	89
Viscosity Index	140
Pour Point °F	-54
Flash Point °F	445
Color	2.5

**PART# 4316D**  
**Effective 04/13**
