

MULTI PURPOSE CHAIN LUBE

PROFESSIONAL FORMULA.

This professional grade chain lube is a premium, high lubricity, lithium grease spray that works in all types of weather. It repels water and resists heat deterioration while providing superior protection against corrosion and friction. It will not harm metal, metal alloy, or non-metal plastic chain/gear sets. Meets all current VOC regulations for California and other OTC states.

Champion Chain Lube works equally well in high and low temperatures. Ideal for automotive, motorcycle, heavy duty truck, farm equipment, marine and household accessories.

AUTOMOTIVE USE: Door, hood, trunk, latches, hinges, speedometer cables, distributor caps, seat guides, battery terminals, steering linkage, and window adjusters.

MOTORCYCLE: High speed chains, "O" ring chains, roller chains and cables.

MARINE USE: Boat control cables, linkages, trailer rollers, trailer slides, guide winches, and rustproofing for storage.

FARM AND HOME USE: Garage doors and guides, farm equipment of all types, all general applications where metal to metal lubrication and protection are desired.

Order Information:

Part #	Container	Case Qty
49981	14 fl. oz.	6
Case Dimensions L x D x H (in)	Case Weight (lbs.)	
8.50x11.25x9.88	15.5	

DIRECTIONS: Shake can well before using. Clean area to be sprayed. Use attached spray tube. Use only in well ventilated area and spray away from face.

Typical Values:

Product Code	49981
MSDS #	49981
VOC Content (%)	72
Appearance	Clear Mild Solvent
Freezing Point	NA
Boiling Point, °F	209°F
Vapor Density (Air=1)	NA
Vapor Pressure	46 psig @70°F
pH	Not Determined
Solubility	Soluble in hydrocarbons: insoluble in water

49981

Effective 04/13
