

FULL SYNTHETIC  
**POWERX2**<sup>®</sup>  
 2-CYCLE ENGINE OIL  
 with eGuard<sup>®</sup> ETHANOL PROTECTION  
 & FUEL STABILIZER

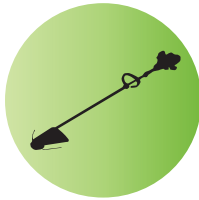

Champion POWERX2<sup>®</sup> Full Synthetic 2-Cycle Oil with Ethanol Protection & Fuel Stabilizer is specifically designed for the demands of 2-Stroke and 4-Mix engines found in today's landscaping industry. Meets and Exceeds API TC, JASO FD and ISO-L-EGD specifications.

Champion POWERX2<sup>®</sup> Full Synthetic 2-Cycle Oil with Ethanol Protection & Fuel Stabilizer provides exceptional performance in the most demanding applications. Designed specifically to protect equipment and maximize the life of engines, exhaust systems and spark plugs and to maximize uptime & productivity.

SPECIFICALLY DESIGNED  
 TO REDUCE DEPOSITS IN  
**2-STROKE and 4-MIX ENGINES**

MEETS & EXCEEDS  
**JASO FD & API TC**  
 OUTPERFORMS  
**OEM FLUIDS\***

\*Outperforms OEM fluids in proprietary plug fouling test

**Typical Values**

Viscosity @ 40C, cSt 64.3

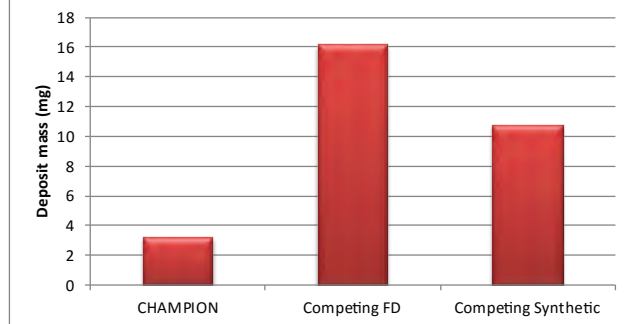

Viscosity @ 100C, cSt 10.3

Viscosity Index 148

Sulfated Ash, %wt 0.05

Density @60C, g/ml 0.85

Spark Plug Deposits
