

Champion Super Concentrated Fuel Injector Cleaner

Champion Super-Concentrated Fuel Injector Cleaner delivers cutting-edge fuel dispersant technology to your fuel. When used with every tank, Champion Super-Concentrated Fuel Injector Cleaner cleans port fuel injectors, intake valves and can help to minimize combustion chamber deposits. This exceptional dispersant is carried in a blend of proprietary synthetic carrier fluid and highly refined solvent which further improve combustion and cleanliness of your fuel system.

- Cleans port fuel injectors
- Oxygen sensor safe
- Safe for catalytic converters
- Cleans intake valves
- Provides corrosion protection
- Cleans carburetors

For best results use Champion Super-Concentrated Fuel Injector Cleaner with every tank. One bottle treats up to 21 gallons.
