

#4033 SAE 30
HEAVY DUTY
MOTOR OIL

CHAMPION HEAVY DUTY MOTOR OIL is a single grade high VI oil manufactured from the finest quality select paraffinic base lubricating oil stocks. These stocks are then blended with the latest "state of the art" additives to exacting specifications, resulting in one of the finest automotive engine oils available today. This oil contains detergent dispersants and oxidation and rust inhibitors which results in an exceptionally clean engine, virtually free from deposits and build ups.

CHAMPION HEAVY DUTY MOTOR OIL surpasses the requirements for API service classifications SJ and SH. It also exceeds all major automotive manufacturers' warranty requirements for recommended grades.

TYPICAL SPECIFICATIONS
