

#4051
MOLY E.P.
GUN GREASE

CHAMPION MOLY E.P. GUN GREASE is a high quality lithium grease containing Molybdenum Disulfide. It is recommended for use in industrial, agricultural and automotive applications, as well as specialized areas.

CHAMPION MOLY E.P. GUN GREASE contains rust and oxidation inhibitors to prevent rust and corrosion. It also contains extreme pressure additives, in addition to the Molybdenum Disulfide, or "moly", which in itself is an anti-wear, extreme pressure component that increases the lubrication qualities of the grease. It remains on the surface even after conventional greases have been depleted, leaving an anti-wear film until the grease is replenished.

TYPICAL SPECIFICATIONS

Product Code	4051
Type	Lithium
NLGI Grade	#2
Penetration 60XX	265-295
Penetration 10,000XX	320 Max.
Dropping Point ° F	370 Min.
Consistency	Smooth
Color	Black
Base Oil Viscosity:	
cSt @ 40° C	167
cSt @ 100° C	12.8

=====

Available in:

#4051A - 400# Drum
#4051C - 120# Drum
#4051D - 35# Pail
#4051T - 10/14 oz.
